PROJECTS

- **Netflix clone**

[Link](#)

Completed a Netflix clone using only HTML and CSS.

No JavaScript. No frameworks. Just clean, responsive, front-end styling.

This project helped me sharpen my layout, design, and CSS animation skills — replicating a modern UI using only the fundamentals.

- **Amazon clone**

[Link](#)

Built an Amazon clone using pure HTML and CSS — no JavaScript, no libraries, just the core web building blocks.

This project was a deep dive into structuring complex layouts and mastering responsive design
